ABOUT US

Hello! I am Dr. Dan Wuerl. Thank you for taking the time to visit my practice's website.

My goal is to provide adults and children with cosmetic, restorative, and preventive dental treatment in a comfortable and professional setting. I strongly believe in the importance of personalized care and so I actively listen to your concerns in a gentle, caring manner. Your input is always heard and appreciated. I am here to help you achieve *your* dental needs and wants.

Along with my team of two hygienists, I believe that proper preventive treatment and education are essential to maintaining oral health and beautiful smiles. My team and I are committed to helping you achieve and preserve your confident smile and overall oral health while keeping you involved in the process.

I earned my Bachelor of Science degree at Marquette University in Milwaukee, Wisconsin and my Doctor of Dental Surgery (D.D.S.) from The College of Dentistry, The University of Illinois at Chicago, Illinois. I have dedicated myself to serving the Rolling Meadows community as well as the surrounding Northwest suburbs for the past 29 years.

Also, I am an active member of the [American Dental Association](#), [Illinois State Dental Society](#), [Chicago Dental Society](#), and [Rolling Meadows Chamber of Commerce](#).

Outside of the office, I enjoy spending time with my family, cheering on the Chicago sports, playing golf, running, and hiking.

I take pride in providing you and your family with quality dental care.

OFFICE

We provide a welcoming, calming, and professional office atmosphere. We want your experience to be a comfortable and positive one.
